## ADJETIVOS

1. Adjectives are used to describe nouns.
2. In Spanish, adjectives must agree with the nouns they describe. That means we have to look at gender and number.
3. Most masculine adjectives will end in -o.
4. Most feminine adjectives will end in -a.
5. Adjectives that end in e & a consonant describe both masculine and feminine nouns.
6. The only thing you can do to adjectives that end in e and a consonant is make them **plural**.
7. Adjectives that end in -dor are masculine. To make them feminine they will end in -dora.
8. Adjectives that end in -ista are both masculine and feminine. You can't change this -a to an -o.
